We're looking for someone with a history of success.

We're looking for someone with motivation.

We're looking for someone that proactively manages their caseload.

We're looking for someone with a PASSION for Retirement.

We're Primark Benefits, and we're looking for YOU!

*Primark Benefits has a solid reputation for providing complete administration, recordkeeping, compliance, and consulting services for retirement plans. Currently, we are looking for an experienced **Defined Benefit/Defined Contribution Pension Administrator** to join our team.*

Remote Workplace Environment

Primark Benefits is looking for someone who is an excellent communicator, that can complete the entire annual administration and reporting cycle for defined benefit and defined contribution plans (including all testing and valuations, distributions/loans, asset reconciliations and forward-thinking consultation with clients). Familiarity with special engagements like audits, EPCRS, etc. a plus.

We're different from our competition. *Our* approach is **different**. How we feel about our **staff** is different. When someone calls you, they're getting the **right answer** at the **right time**. Our clients and referral sources appreciate the fact that when they call with a question, they're able to have a real dialog - NOT a "yes" or "no" answer. Our employees **dig in** to find out what the challenge is, and how we can solve it.
